

Additional Bonus Opportunities

We love to offer “non-shopping” points.

In addition to submitting receipts, your school supporters will have lots of options to earn points during the program, that do not require a purchase.

- **Keep an eye on the program flyers and emails**

On the Shopping 4 Students flyers, we'll include bonus points offers for attending events, social media and more.

- **Watch your Shopping 4 Students emails**

We send email reminders once or twice a month to people that have subscribed to Shopping 4 Students emails from the program website at shopandlog.com/bolingbrook. When a customer submits a receipt online, their email address is added to the subscription list.

Earn Extra Prizes

Each month, the school with the highest dollar value of qualified receipts submitted will earn a \$200 bonus prize. Limit one bonus per school.
