

Short Cut Tips For Submitting A Lot Of Receipts

Using Your Smart Phone or Tablet?

- Add the form to your home screen for quick access anytime you want to submit receipts. We show you how about 20 seconds into the video (bottom right of the Coordinator Toolbox).
- Fill out the form BEFORE you take a photo of your receipt.
- If you have more than one receipt, before you click Submit, check the box indicating that you have more receipts so you don't need to fill in your contact info again during this session.

Set Up A Receipt Email Address

Each time you submit a receipt online, you will receive a confirmation email (including an image of your receipt). To avoid flooding your personal email inbox, you can set up a free email account at gmail, yahoo, etc., to use when submitting receipts.

Why Do I Need To Write The Last 4 Digits Of My Phone Number?

We need to make sure each receipt is only submitted once. Having something written on the receipts will remind you not to submit the receipt again.

Can I Avoid Writing My Number On Each Receipt?

Yes, you can use a school stamp instead of writing your phone number.

What If I Make A Mistake, Or I'm Not Sure My Receipts Went Through?

Please don't spend the time entering the information and submitting the receipts again. Just email us at info@shopandlog.com or use the email link in your confirmation to let us know what mistake was made or to verify we got the submission.
